operations, we conclude that the gyroscope train is safe from spreading of list the aid of coast-trading ships the rails.

Wall street reports a brisk demand for money. Sometimes Wall street news has a wonderfully human and universal note.

New York wants to make Fifth avenue the greatest highway in the world. Broadway, it is claimed, is the greatest buyway.

You can hardly blame the man who turned to the sporting page expecting cued 205 of the persons aboard the to find there the news of the British steamer, but was forced to leave former President Roosevelt. Mr political campaign.

Very likely the St Louis judge who bank clerks to prison did not have any money in that bank.

For the leading nations of the world to go bankrupt on Dreadnoughts is a Argentina on January 26, and was on men at Mrs. Alexander's home before costly way of providing themselves her way to Chilean and Peruvian going to the theater He said that Col. with a world's peace court.

was recently shinned from Japan to likely to go on increasing.

Emperor William would like to stop the people from deserting the farms. He might establish some rural fivepfennig moving picture shows.

A Missouri professor claims that 205 RESCUED FROM LIMA Shakespeare used slang. But he never Interpolated a "Then-to-his-old-motherhe-did-say" song in any of his produc-

Then, again, if \$20,000,000 was sent down into Central America to secure the rocks in West Manublin Pasage, peace, think of the fighting there Straits of Magellan. The stenmer would be for each man to get his share of it!

A St. Louis man is seeking a divorce because his wife has not spoken to him for five years. Wait. Perhaps he has reason to believe she intends to break her long silence.

Scranton, Pa., wants special men- drowned, tion because of a hen that lays eggs worth \$400 a dozen. Out west they merely give such news a line in the miscellaneous market reports.

Holland is a little hamlet in Virginla which does not amount to much in itself. But it is a sort of storehouse and shipping point for the crop there. of peanuts which is one of the principal sources of wealth in that locality. So when fire destroyed most of the town and \$10,000 worth of peanuts went up in smoke, it was a calamity of considerable proportions. And doubtless the attendants at the circus and the habitues of the "peanut gallery" will have cause to mourn,

An esthetic couple in New York are in trouble because they insist on dressing themselves and their young dren, Carlos, 2 years old, and Pearl, son in ancient Greek costume and so going abroad in modern American winter weather. This shows what difficulties attend the attempt at practical study of the classics and classic costumes in these days of what the ancient Greeks themselves would likely call foolish fashions.

Once again some western doctor arises to say that the use of apples as a diet will eliminate the desire for liquor and tobacco. But think of the awful apple habit that would be created in place of the others!

A Peoria judge has decided that a man has a right to punish his wife if she refuses to have his breakfast ready for him at four a. m. Fortunately, the rest of the world does not follow the Peoria example in the matter of wives, husbands, breakfast hours or judges.

TEDDY, JR., TO WED NEW YORK BELLE

ENGAGEMENT OF ROOSEVELT'S SON TO MISS ELEANOR ALEX-ANDER ANNOUNCED.

No Creremony Until Former President Returns From African Hunt .-Mrs. Roosevelt Approved Before Announcement.

New York City.-Mrs. Henry loss. The chief pilot and fifty passen- Addison Alexander of this city announced the engagement of her daugh ter, Miss Eleanor Butler Alexander, to Theodore Roosevelt, Jr. oldest son of Roosevelt was at Mrs. Alexander's house. He said that the announcement was made at this time because it was the desire of his family to have it made before the departure of his mother for Europe within a few days.

Mr. Roosevelt met the newspaper Roosevelt, his father, did not yet know The place where the steamer was of the engagement He had just called known Miss Alexander for a number of years. The former president knew of their friendship and approved it. Mrs. Roosevelt, his mother, had given Hoamblin rocks, two in number and her approval before ane announcement worth had been apprised of the en pacement and had sent her congratula. tions

Mr. Roosevelt said the marriage would not take place until the return of his father from Africa. He said the exact date had not yet been decided Miss Alexander is 21 years old. Her mother was Miss Grace Green, one of

three daughters of Albert W. Green, a merchant of this city, who died ten rears ago. Theodore Roosevelt, Jr. will be 23 years old in September 13 next He

went to Groton school in the fall of 1900 and later entered Harvard. He went through the university in three

SOLONS' RIGHTS INVOLVED

Senate Pases Resolution Advising Members of Printing Committee to Ignore Court Summons.

Washington, D. C .- That Justice Wright of the supreme court of the District of Columbia invaded the con stitutional rights of congress in summoning members of the joint committee on printing to appear before him, was the declaration of the senate in adopting a resolution presented by the judiciary committee of that body. The resolution advised the members of the senate printing committee to ignore the summons.

The summons for Senators Smoot, Bourne and Fletcher was issued on complaint of the Valley Paper company, whose bid has been rejected.

Dispensary System Killed.

Guthrie, Oklahoma.-The state liquor dispensary system was wiped off the map by the Oklahoma house. 15 Democrats voting with the 34 Republicans present to accomplish it.

Arkansas Ginnery Burned. Helena, Ark.-The gin plant of the Solomon Moore Land company was completely destroyed by fire entailing a loss of \$12,000, with insurance at \$7000. Tramps are supposed to have set fire to the structure.

Hot Springs Wants Big Fund. Little Rock, Ark,-A delegation of 200 citizens of Hot Springs called on Gov. Donaghey and requested the governor to recommend to the next legislature a liberal appropriation for the Hot Springs state fair. | biles

KILLS SWEETHEART AND HER FATHER

Posse and Bloodhounds Trail Missisalppian Who Tried to Exterminate Family.

Tylerton, Miss.-A sheriff's posse with bloodhounds is searching the county Friday for Sylvester Beardon, 25, who Thursday night killed George Walker and his daughter Inez, and fatally wounded two of Walker's children, because Walker objected to his marrying Iner.

Heardon visited the Walker home. When the father repeated his objection to his presence, the sutter took a shotgun from a table and morfally wounded his aweetheart and her a club and fatally beat the two little children. Beardon has been a regular caller at the Wafter home for
